

# GM Service Information. Redefining the meaning of power tools.

Accessing the latest GM Service Information will help you effectively diagnose and fix your customers' vehicles correctly the first time. The time it saves you and your employees can greatly increase your shop's all-important bottom line.

Features include:

- Vehicle diagnostic and service repair manuals for GM vehicles from 1998 to present
- Campaigns, service bulletins and preliminary information for GM vehicles from 1980 to present
- GM Owner's Manuals and glove box supplements from 2003 to present
- Easy-to-use keyword search function and document/number search feature
- Discounted price on the annual subscription for all TSS Program participants

# All the information you need at your oil-stained fingertips.

## Subscription choices are easy and affordable for Independent Service Centers.

- \$20 per day
- \$150 per month
- \$1,200 per year

Pay only \$900 on the annual subscription if you are an ACDelco TSS Program participant.

## Signing up is simple.

Just go to [acdelcotechconnect.com](http://acdelcotechconnect.com) and click on the eSI logo. Then choose from two options at the bottom of the page:

**TSS Program** participants that want to sign up and take advantage of the GM discounted annual subscription price.

**Non-TSS Program** participants that want to sign up for the daily, weekly, monthly or annual subscriptions.
